LOCATION

Basingstoke is a major centre for commerce and industry with a borough population of approximately 185,000. The town is 45 miles to the southwest of London adjacent to Junctions 6 & 7 of the M3 motorway. There is also a frequent rail service to London Waterloo, timetabled at 45 minutes.

Grafton Way is situated to the west of Basingstoke with access directly from the Leisure Park roundabout, which itself is only a few minutes' drive from the ring road. It is therefore easily accessible to both junctions 6 & 7 of the M3 motorway and approximately 1½ miles from the town centre and station.
